Re: Legislative Update: Bill Introduction Deadline

Friday, February 19 was the deadline for legislators to introduce bill items to be considered in the second year of the 2015-16 session. There were 2087 bills introduced this session – 705 Senate bills and 1382 Assembly bills. Below is a comprehensive list of introduced bills we have flagged and are actively tracking on behalf of CLEARs. All introduced bills, other than the budget bill, may not be heard or acted upon by committee or either house until the bill has been in print for 30 days.

Some bills may be in spot form or contain intent language to serve as a placeholder for more substantive amendments to be added at a later time. Additionally, in the course of bill introductions we flag bills that have a direct impact on your department as well as some that may only have a marginal impact. Please let us know if there are significant bills of note so we can engage on those issues accordingly or if there are bills that we should remove from our tracking altogether.

AB 898 Gonzalez D	Parole suitability: notice.	2/4/2016-Referred to Com. on PUB. S.
