**Re: Legislative Update – Appropriations Committee Suspense File**

---

On May 25, the Senate and Assembly Appropriations Committees took up their fiscal “suspense calendars.” The suspense calendar includes most bills with a significant fiscal impact. Suspense bills are heard at a hearing in late May, just prior to the fiscal committee deadline, when a clearer picture of available revenue has emerged.

Below are the outcomes of bills we are tracking in both houses. You will note that some have failed passage in policy committees or were “held under submission” in fiscal committees meaning they were held on suspense and will no longer be moving forward. Friday, June 1 is the last day to pass bills out of the house of origin in order for them to continue in the process.

Additionally, over the next week, the budget conference committee will meet to reconcile the Senate and Assembly budget plans. The Senate budget conferees include Democrat Senators Holly Mitchell, Nancy Skinner, and Richard Roth, and Republican Senators Jim Nielsen, and John Moorlach. Assembly budget conferees include Democrat Assembly Members Philip Ting, Joaquin Arambula, and Richard Bloom, and Republican Assembly Members Jay Obernolte, and Rocky Chavez. The budget bill must be approved by both the Assembly and Senate by June 15 and the budget must be signed by July 1.

For your reference, below is the 2018 Legislative Calendar up to the legislative summer recess:

- **May 29 – June 1**—Floor Session only. No committee may meet for any purpose except for Rules Committee and Conference Committees
- **June 1** —Last day to pass bills out of house of origin
- **June 15** – Budget bill must be passed by midnight
- **July 1** – Budget bill must be signed

### **Bills Continuing to Move through the Process**

<b>Measure</b>	<b>Topic</b>	<b>Status</b>	<b>Summary</b>	<b>Position</b>
<a href="#"><u>AB 1735</u></a> <a href="#"><u>Cunningham R</u></a>	Protective orders: human trafficking: pimping: pandering.	5/25/2018-From committee: Do pass. (Ayes 15. Noes 0.) (May 25). Read second time. Ordered to third reading.	Current law requires a court to consider issuing a protective order restraining the defendant from contact with the victim for up to 10 years in all cases in which a criminal defendant has been convicted of a crime involving domestic violence, rape, unlawful sexual intercourse, or any crime requiring registration as a sex offender, including, but not limited to, pimping or pandering a minor, and human trafficking to effect or maintain a violation of specified sex offenses. This bill would additionally require the court to consider issuing a protective order, as provided above, in all cases in which a criminal defendant has been convicted of human trafficking with the intent to obtain forced labor or services, and pimping or pandering without regard to whether the victim is a minor.	
<a href="#"><u>AB 1793</u></a> <a href="#"><u>Bonta D</u></a>	Cannabis convictions: resentencing.	5/25/2018-From committee: Amend, and do pass as amended. (Ayes 11. Noes 4.) (May 25). Read second time and amended. Ordered returned to second reading.	Would require the Department of Justice, before July 1, 2019, to review the records in the state summary criminal history information database and to identify past convictions that are potentially eligible for recall or dismissal of sentence, dismissal and sealing, or redesignation pursuant to AUMA. The bill would require the department to notify the prosecution of all cases in their jurisdiction that are eligible for recall or dismissal of a sentence, dismissal and sealing, or redesignation.	
<a href="#"><u>AB 1927</u></a> <a href="#"><u>Bonta D</u></a>	Firearms: prohibition: voluntary list.	5/25/2018-From committee: Amend, and do pass as amended. (Ayes 12. Noes 4.) (May 25). Read second time and amended. Ordered returned to second reading.	Would require the Department of Justice to study options for allowing a person to register himself or herself on a list or database that prohibits the person from being able to purchase a firearm. The bill would require the department to recommend an approach to allow a person to prohibit himself or herself from purchasing a firearm. The bill would require the department to report its findings and recommendations to the Legislature no later than January 1, 2020.	
<a href="#"><u>AB 1948</u></a> <a href="#"><u>Jones- Sawyer D</u></a>	Interception of electronic communications.	5/25/2018-From committee: Do pass. (Ayes 16. Noes 0.) (May 25). Read second time. Ordered to third reading.	Until January 1, 2020, current law authorizes a court to issue an order authorizing interception of wire or electronic communications if the judge finds, among other things, that there is probable cause to believe an individual is committing, has committed, or is about to commit one of several offenses, including importing, possessing for sale, transporting, manufacturing, or selling certain controlled substances, as specified. This bill would add fentanyl to the list of controlled substances for	

			which interception of wire or electronic communications may be ordered pursuant to those provisions.	
<a href="#"><u>AB 1968</u></a> <a href="#"><u>Low D</u></a>	Mental health: firearms.	5/25/2018-Coauthors revised. From committee: Do pass. (Ayes 15. Noes 0.) (May 25). Read second time. Ordered to third reading.	Would require that a person who has been taken into custody, assessed, and admitted to a designated facility because he or she is a danger to himself, herself, or others, as a result of a mental health disorder and who was previously taken into custody, assessed, and admitted one or more times within a period of one year preceding the most recent admittance be prohibited from owning a firearm for the remainder of his or her life. The bill would extend a specified hearing process to a person under these provisions. Because a violation of the firearm prohibition would be a crime, the bill would impose a state-mandated local program.	
<a href="#"><u>AB 2005</u></a> <a href="#"><u>Santiago D</u></a>	Child Abuse Central Index.	5/25/2018-From committee: Amend, and do pass as amended. (Ayes 12. Noes 0.) (May 25). Read second time and amended. Ordered returned to second reading. Current law prohibits a person who is under the influence of alcohol, drugs, or the combined influence of alcohol or drugs from driving a vehicle. Current law also prohibits a person from driving under the influence and proximately causing bodily harm to another person, as specified. Current law defines a drug, for purposes of these provisions, as any substance or combination of substances other than alcohol that can affect the nervous system, brain, or muscles of a person in a manner that impairs the ability to safely drive a vehicle. This bill would recast these provisions to make driving under the influence of cannabis, or driving under the combined influence of alcohol and cannabis, each a separate offense but with no changes to the penalty.

	program.	and do pass as amended. (Ayes 16. Noes 0.) (May 25). Read second time and amended. Ordered returned to second reading.	assessment program to develop tools for first responders to assess the lethality of domestic violence perpetrators in order to inform the decisions made by those first responders. The bill would authorize the program to investigate which strategies reduce domestic violence fatalities, the number of domestic violence survivors that have fewer violent incidents with their partner after contact with first responders, and the number of first responders that direct domestic violence survivors to resources.

(May 25). Read second time and amended. Ordered returned to second reading.	Current law directs police and sheriffs' departments to submit the description of serialized or uniquely inscribed nonserialized property that has been reported stolen, lost, found, recovered, or under observation, directly to an automated Department of Justice system. Current law requires that any information entered into the Department of Justice system regarding a firearm remain in the system until the firearm is found, recovered, no longer under observation, or the record is deemed to have been entered in error. Current law also requires the costs resulting from this requirement to be reimbursed from funds other than those collected from specified fees relating to firearms. This bill would extend this firearms reporting requirement to all law enforcement agencies in the state, as defined, and would require that the report be entered within 7 days of the agency being notified of the precipitating event.	Neutral
<a href="#">AB 2382</a> <a href="#">Gipson D</a>	Firearms: firearm precursor parts.	5/25/2018-From committee: Amend, and do pass as amended. (Ayes 12. Noes 4.) (May 25). Read second time and amended. Commencing January 1, 2020, the bill would require a person or business to have a valid firearm precursor part vendor license to sell more than one firearm precursor part in any 30-day period. A violation of this provision would be a misdemeanor. The bill would require that a licensed firearm dealer or licensed ammunition vendor automatically be deemed a licensed firearm precursor part vendor. The bill would create an application process for firearm precursor part vendors, as specified.	
<a href="#">AB 2392</a> <a href="#">Santiago D</a>	Vehicles: towing and storage.	5/25/2018-Read third time and amended. Ordered to third reading. 			towing and storage be reasonable, as defined.	
<a href="#"><u>AB 2599</u></a> <a href="#"><u>Holden D</u></a>	Criminal records.	5/25/2018-From committee: Amend, and do pass as amended. (Ayes 16. Noes 0.) (May 25). Read second time and amended. Current law authorizes local law enforcement agencies to have specified information related to firearms entered into the United States Department of Justice, National Integrated Ballistic Information Network to ensure that representative samples of fired bullets and cartridge cases from crime scenes are recorded, as specified. This bill would require a law enforcement agency, as defined, to obtain ballistic images from firearms and cartridge cases obtained by the agency as specified, and submit those images to the National Integrated Ballistic Identification Network or a comparable automated ballistic identification system used by the agency. The bill would also require the Department of Justice to develop a protocol for the implementation of this requirement.

<a href="#">SB 1281</a> <a href="#">Stern D</a>	Juvenile records.	5/25/2018-From committee: Do pass. (Ayes 7. Noes 0.) (May 25). Read second time. Ordered to third reading.	Current law prohibits a minor who has committed certain serious, violent, drug-related, or firearm-related offenses, as enumerated, from owning, or having in his or her possession, custody, or control, any firearm until he or she turns 30 years of age. <a href="#">SB 1320</a> <a href="#">Stern D</a>	Elder or dependent adult abuse: victim confidentiality.	5/25/2018-From committee: Do pass. (Ayes 7. Noes 0.) (May 25). Read second time. Ordered to third reading.	Current law authorizes victims of domestic violence, sexual assault, stalking, or human trafficking to complete an application to be approved by the Secretary of State for the purpose of enabling state and local agencies to respond to requests for public records without disclosing a program participant's residence address contained in any public record and otherwise provide for confidentiality of identity for that person, subject to specified conditions. <a href="#">SB 1393 Mitchell D</a>	Sentencing.	5/25/2018-Referred to Com. on PUB. S.	Current law requires the court, when imposing a sentence for a serious felony, in addition and consecutive to the term imposed for that serious felony, to impose a 5-year enhancement for each prior conviction of a serious felony. Existing law generally authorizes a judge, in the interests of justice, to order an action dismissed, but precludes a judge from striking any prior serious felony conviction in connection with imposition of the 5-year enhancement. This bill would delete the restriction prohibiting a judge from striking a prior serious felony conviction in connection with imposition of the 5-year enhancement described above and would make conforming changes.	
<a href="#">SB 1412 Bradford D</a>	Applicants for employment: criminal history.	5/25/2018-Read third time and amended. Ordered to second reading.	Current law prohibits an employer, whether a public agency or private individual or corporation, from asking an applicant for employment to disclose, from seeking from any source, or from utilizing as a factor in determining any condition of employment, information concerning participating in a pretrial or posttrial diversion program or concerning a conviction that has been judicially dismissed or ordered sealed, as provided. This bill would specify that these provisions do not prohibit an employer from asking an applicant about, or seeking from any source information regarding, a particular conviction of the applicant if, pursuant to federal law, federal regulation, or state law, (1) the employer is required to obtain information regarding the particular conviction of the applicant, regardless of whether the conviction has been expunged, judicially ordered sealed, statutorily eradicated, or judicially dismissed following probation, (2) the applicant would be required to possess or use a firearm in the course of his or her employment, (3) an individual with that particular conviction is prohibited by law from holding the position sought, regardless of whether the conviction has been expunged, judicially ordered sealed, statutorily eradicated, or judicially dismissed following probation, or (4) the employer is prohibited by law from hiring an applicant who has that particular conviction, regardless of whether the conviction has been expunged, judicially ordered sealed, statutorily	

			eradicated, or judicially dismissed following probation.

Ordered to second reading.	Would require, notwithstanding any other law, certain peace officer or custodial officer personnel records and records relating to specified incidents, complaints, and investigations involving peace officers and custodial officers to be available for public inspection pursuant to the California Public Records Act. The bill would provide that this information includes, but is not limited to, the framing allegation or complaint, any facts or evidence collected or considered, and any findings or recommended findings, discipline, or corrective action taken.	
<a href="#">SB 1437</a> <a href="#">Skinner D</a>	Accomplice liability for felony murder.	5/25/2018-From committee: Do pass as amended. (Ayes 5. Noes 2.) (May 25). Read second time and amended. Ordered to second reading.	Current law defines murder as the unlawful killing of a human being, or a fetus, with malice aforethought. Current law defines malice for this purpose as either express or implied and defines those terms. This bill would prohibit malice from being imputed to a person based solely on his or her participation in a crime. The bill would prohibit a participant in the commission or attempted commission of a felony inherently dangerous to human life to be imputed to have acted with implied malice, unless he or she personally committed the homicidal act.	
<a href="#">SB 1449</a> <a href="#">Levy D</a>	Rape kits: testing.	5/25/2018-From committee: Do pass as amended. (Ayes 7. Noes 0.) (May 25). Read second time and amended. Ordered to second reading. This bill would instead require a law enforcement agency to either submit sexual assault forensic evidence to a crime lab or ensure that a rapid turnaround DNA program is in place, as specified, and require a crime lab to either process the evidence or transmit the evidence to another crime lab for processing, as specified. <b>Measure</b>	<b>Topic</b>	<b>Status</b>	<b>Summary</b>	<b>Position</b>
<a href="#"><u>AB 1757</u></a> <a href="#"><u>Weber D</u></a>	Peace officers: hate crime reporting guidelines.	5/25/2018-In committee: Held under submission.	Current law requires the Attorney General, subject to the availability of adequate funding, to direct local law enforcement agencies to report information related to hate crimes, as defined, to the Department of Justice. This bill would require specified reports of law enforcement agencies to include a check box and specified question that indicate whether an incident was a suspected hate crime. The bill would require law enforcement agencies to implement the provisions of the bill on or before July 1, 2019. By imposing requirements on local law enforcement agencies, the bill would impose a state-mandated local program.	Oppose
<a href="#"><u>AB 1983</u></a> <a href="#"><u>Waldron R</u></a>	School safety: school facilities and emergency practices: security assessment.	5/25/2018-In committee: Held under submission.	Would require the governing board of a school district, a county board of education, and the governing body of a charter school, before the commencement of the 2019–20 school year, to contract with a local law enforcement agency to provide a full security assessment of the facilities and emergency practices of each school within its jurisdiction. By imposing additional requirements on governing boards of school districts, county boards of education, and governing bodies of charter schools, the bill would impose a state-mandated local program.	
<a href="#"><u>AB 2013</u></a> <a href="#"><u>Cunningham R</u></a>	Crimes: public records: disclosure of information.	5/25/2018-In committee: Held under submission.	Would require, subject to exceptions, disclosure of specified information regarding persons involved in criminal investigations, including the full name of a victim, unless a law enforcement agency determines that disclosure of a particular item of information would endanger the completion of the investigation or a related investigation, or would endanger the safety of a person involved in an investigation, including a victim or witness, pursuant to the California Public Records Act. The bill would authorize a law enforcement agency, when determining if disclosure of a particular item of information would endanger a person involved in the investigation, to consider a request by the person that a particular item of information be	Watch

			withheld from disclosure if the person presents evidence that disclosure would endanger the person's safety.	
<a href="#"><u>AB 2089</u></a> <a href="#"><u>Mathis R</u></a>	Volunteer firefighters: background checks.	5/25/2018-In committee: Held under submission.	Current law provides for the organization of fire companies in unincorporated towns by filing a certificate with the Fire and Rescue Operational Area Coordinator in the same county, or other county agency as designated by ordinance of the county board of supervisors. Under current law, a fire company is staffed by officers and volunteer firefighters. This bill would amend those provisions to authorize the chief of a fire protection district or a fire company to conduct background checks on applicants for volunteer firefighter status with the district or fire company, as prescribed, and, if such a background check is conducted, would require the chief to identify an applicant who is determined to be a registered sex offender or to have committed or been convicted of specific offenses.	
<a href="#"><u>AB 2356</u></a> <a href="#"><u>Kiley R</u></a>	Violent crimes.	5/25/2018-In committee: Held under submission.	Current law, as added by Proposition 184, approved November 8, 1994, and amended by Proposition 36, approved November 6, 2012, commonly known as the Three Strikes Law, also imposes additional years of imprisonment in state prison on a person who commits a violent felony and has been convicted of, or who has a prior conviction for, a violent felony. The Legislature may amend the above-specified initiative statutes by a statute passed in each house by a 2/3 vote. This bill would amend those initiative statutes by clarifying human trafficking to effect or maintain a violation of specified sex crimes a violent felony. Because this bill would increase penalties for a crime, it would impose a state-mandated local program.	
<a href="#"><u>AB 2438</u></a> <a href="#"><u>Ting D</u></a>	Automatic withdrawal of plea.	5/25/2018-In committee: Held under submission.	Current law allows a defendant to petition to withdraw his or her plea of guilty or nolo contendere and enter a plea of not guilty in any case in which he or she has fulfilled the conditions of probation and is not then serving a sentence for any offense, on probation for any offense, or charged with the commission of any offense. This bill would require the court to automatically withdraw the plea of guilty or nolo contendere and enter a plea of not guilty when the defendant has fulfilled the conditions of probation. The bill would make conforming changes, including deleting the authority to charge the fee for making a petition. The bill would apply these provisions to defendants who have completed probation on or after November 23, 1970.	
<a href="#"><u>AB 2513</u></a> <a href="#"><u>Jones-</u></a>	Controlled substances: narcotics	5/25/2018-In committee: Held	Currentlaw requires a person who is convicted in this state, or in another state under certain	Watch

The registration consists of a statement in writing signed by the person, giving information required by the Department of Justice, and the fingerprints and photograph of the person. Current law requires, within 3 days after registering, the law enforcement agency to forward the statement, fingerprints, and photograph to the Department of Justice. This bill would delete that registration requirement and make conforming changes.
<a href="#"><u>AB 2659</u></a> <a href="#"><u>Cooley</u></a> <b>D</b>	Juvenile records: inspection: criminal prosecution.	5/25/2018-In committee: Held under submission.	Current law generally provides for the confidentiality of information regarding a minor in proceedings in the juvenile court and related court proceedings and limits access to juvenile case files. This bill would additionally authorize an individual seeking access to juvenile case files in child dependency proceedings to petition the criminal court for purposes of releasing information to a criminal prosecutor or a criminal defense attorney of record if the court determines that the file contains information that is material to a current criminal prosecution, as specified.
<a href="#"><u>AB 2724</u></a> <a href="#"><u>Eggman</u></a> <b>D</b>	Inmates: driver's licenses.	5/25/2018-In committee: Held under submission.	Would require the Department of Corrections and Rehabilitation and the Department of Motor Vehicles to ensure that all eligible inmates, as defined, have the privilege to operate a motor vehicle upon release from state prison. The bill would require the Department of Motor Vehicles and the Department of Corrections and Rehabilitation to provide an eligible inmate with a specified form to renew his or her driver's license by mail, upon request.
<a href="#"><u>AB 2812</u></a> <a href="#"><u>Limón</u></a> <b>D</b>	Data storage and protection standards: local agencies.	5/25/2018-In committee: Held under submission.	Would create the Office of Local Cloud Migration and Digital Innovation in the Department of Technology. The bill would require the office to promote the use of technologies including, but not limited to, cloud-based computing and data storage that will assist local agencies in their efforts to further transparency, efficiency, disaster preparedness and response, as well as general accessibility to the public. The bill would require the office to operate in partnership with private industry and the nonprofit community to maximize the assistance provided to local agencies.
<a href="#"><u>AB 2817</u></a> <a href="#"><u>Santiago</u></a> <b>D</b>	Firearms: emergency transfers.	5/25/2018-In committee: Held under submission.	Current law requires the transfer of a firearm, including the loan of a firearm, to be conducted through a licensed dealer, except as exempted. Current law requires a dealer

			processing the transfer of a firearm to, among other requirements and subject to certain exemptions, hold the firearm for a specified period of time before transfer, obtain a background check of the person receiving the firearm, and report the transfer to the Department of Justice. Current law also requires a person purchasing or receiving a firearm to possess a firearm safety certificate or handgun safety certificate. This bill would exempt from those requirements the temporary transfer of a firearm that is voluntarily made for the purpose of preventing a suicide attempt using that firearm, as specified.	
<a href="#">SB 1099</a> <a href="#">Moorlach</a> R	Weapons: possession: demonstrations or protests.	5/25/2018-May 25 hearing: Held in committee and under submission.	Would prohibit a person attending or participating in any demonstration or protest from carrying or possessing specified items, including, among other things, firearms, baseball bats, or lengths of wood or lumber exceeding specified dimensions. The bill would make a violation of these provisions a misdemeanor. By creating a new crime, the bill would create a state-mandated local program.	
<a href="#">SB 1168</a> <a href="#">Anderson</a> R	Juveniles: Division of Juvenile Facilities.	5/25/2018-May 25 hearing: Held in committee and under submission.	Would instead prohibit the commitment to the Division of Juvenile Facilities of that person if all offenses alleged in the most recent petition and admitted or found to be true by the court are not any of specified serious or violent offenses, or any of specified sex offenses.	
<a href="#">SB 1185</a> <a href="#">Hill</a> D	Firearms: law enforcement agencies: agency firearm accounting.	5/25/2018-May 25 hearing: Held in committee and under submission.	Would require a law enforcement agency, as defined, by January 1, 2020, to adopt a written procedure to account for firearms that are owned, acquired, maintained, sold, loaned, lost, stolen from, or in any way possessed by that agency, as specified. The bill would require agency employees to report to the agency lost or stolen firearms owned by the agency, or used or carried by an employee within the course of his or her employment that are not owned by the agency, within 5 days of the date they know or reasonably should have known that the firearms were lost or stolen.	
<a href="#">SB 1220</a> <a href="#">Gaines</a> R	Domestic violence: lethality assessment tools.	5/25/2018-May 25 hearing: Held in committee and under submission.	Would require every law enforcement agency in the state to develop and adopt a lethality assessment tool, as defined, for use in responding to domestic violence calls by July 1, 2018. By imposing additional duties on local agencies, this bill would create a state-mandated local program. The bill would require the Department of Justice to develop a model lethality assessment tool for guidance and potential adoption by local law enforcement agencies by June 1, 2018.	
<a href="#">SB 1273</a> <a href="#">Hill</a> D	Vehicles: marijuana.	5/25/2018-May 25 hearing: Held in	Current law prohibits a person who is under the influence of alcohol, drugs, or the

Current law also prohibits a person from driving under the influence and proximately causing bodily harm to another person, as specified. Current law defines a drug, for purposes of these provisions as any substance, or combination of substances, other than alcohol, which can affect the nervous system, brain, or muscles of a person in a manner that impairs the ability to safely drive a vehicle. This bill would recast these provisions to make driving under the influence of several classifications of drugs each a separate offense, with no changes to the penalty.

Current law requires the Department of Corrections and Rehabilitation to provide specified information to local law enforcement agencies regarding an inmate released by the department to the agency's jurisdiction on parole or postrelease community supervision, including a record of the offense for which the inmate was convicted that resulted in parole or postrelease community supervision.
