10:00 AM – 12:00 PM

PRESENTER: Daniel Pruitt, Armando Recio and Daiel Cardenas, DMV

TOPIC: Administrative Per Se (APS)

DESCRIPTION: The Law Enforcement Outreach program acts as the liaison between law enforcement agencies and the Driver Safety program. The consistent and thorough training provided via law enforcement outreach helps to ensure that documents submitted by officers are complete and provide information needed to support the department's case. This results in a lower rate of issued subpoenas. The training features a power point presentation covering DUI and Reexamination referrals, which expands on the officer's pre-existing knowledge. The trainer answers questions and provides information regarding best practices for submitting referrals and completing the referral form (DS427) and APS form (DS367).
